Agriculture - Our Year 10 Ag. Students are entering Chickens in the Carcass and Egg Laying Categories at the Royal Easter Show. Congratulations to Mrs Wenham, Mr Lang and Students for your efforts. We wish you the best of luck!!

CORTYA AND Merit Winners

Praise – Danieka Connors Year 9 & Jordan Carroll Year 7

Merit – Tiarn Stenner Year 7 & Zac Gollan Year 10

Congratulations! Each of these students receives a $5 voucher from the Canteen.
Year 12 Geography Fieldwork

Last Monday the Year 12 Geography class had their most memorable school excursion ever. They travelled to Byron Bay, put on wetsuits, launched through the waves from a boat off the beach at The Pass, and went snorkelling at Julian Rocks, 2.8km out to sea. Students swam with Turtles, Manta Rays, Wobbegong and Leopard Sharks, an Octopus and an amazing variety of small fish close enough to touch.

On the way home students stopped to watch a family of dolphins.

This fantastic experience was to give students a deeper understanding of ecotourism and ecosystems at risk: two of the core topics in the HSC Geography Course.

Students would like to thank “Sundive” at Byron Bay and Ms Flick for providing this fantastic snorkelling experience and a hands on learning activity they will always remember.

Year 12 Geography Students said they would highly recommend this subject to prospective students.
